SUPPLEMENTARY INFORMATION:

Background

The purpose of the Collaborative Forest Landscape Restoration Program is to increase active management to improve forest health, reduce the risk of catastrophic wildfires, and promote jobs in rural economies through a process that:

- (1) Encourages ecological, economic, and social sustainability;
- (2) Leverages local resources with national and private resources;
- (3) Facilitates the reduction of wildfire management costs, including through reestablishing natural fire regimes and reducing the risk of uncharacteristic wildfire; and
- (4) Demonstrates the degree to which:
 - (a) Various ecological restoration techniques
 - (i) achieve ecological and watershed health objectives;
 - (ii) affect wildfire activity and management costs; and
 - (b) The use of forest restoration byproducts can offset treatment costs while benefiting local rural economies and improving forest health.

The duties of the Committee include:

1. Evaluating Collaborative Forest Landscape Restoration project proposals with special consideration given to:
 - a. the strength of the proposal and strategy;
 - b. the strength of the ecological case of the proposal and the proposed ecological restoration

strategies;

- c. the strength of the collaborative process and the likelihood of successful collaboration throughout implementation;
 - d. whether the proposal is likely to reduce the risk of uncharacteristic wildfire and reestablish natural fire regimes;
 - e. whether the proposal would use restoration byproducts to reduce the relative costs of carrying out ecological restoration treatments and benefit local economies; and
 - f. whether the proposal is in alignment with a shared stewardship approach, including leveraging an appropriate level of non-Federal investments.
2. Provide recommendations on each proposal to the Secretary of Agriculture through the Chief of the Forest Service.

Advisory Committee Organization

The Committee shall be comprised of no more than 15 members approved by the Secretary of Agriculture where each will serve a 2-year term, although appointments shall have staggered terms. The Committee membership will be fairly balanced in terms of the points of view represented and functions to be performed. Non-Federal members of the Committee shall serve without pay but will be reimbursed for reasonable costs incurred while performing duties on behalf of the Committee, subject to approval by the Designated Federal Officer (DFO). The Committee shall include representation from experts in the following interest areas:

1. Ecological Restoration,
2. Fire Ecology,
3. Fire Management,
4. Rural Economic Development,
5. Strategies for Ecological Adaptation to Climate Change,
6. Fish and Wildlife Ecology, and

7. Woody Biomass and Small-Diameter Tree Utilization.

Of these members, one will become the Chairperson who is recognized for his/her ability to lead a group in a fair and focused manner and who has been briefed on the mission of this Committee. The Committee will meet on an annual basis or as needed. This will be determined by the Committee. Vacancies will be filled in the manner in which the original appointment was made.

Nomination and Application Information

The appointment of members to the Committee will be made by the Secretary of Agriculture. The public is invited to submit nominations for membership on the Committee, either self-nomination or nomination of any qualified and interested person. Any individual or organization may nominate one or more qualified persons to represent the interest areas listed above. To be considered for membership, nominees must:

1. Identify what interest area group listed above they would represent and how they are qualified to represent that interest group;
2. State why they want to serve on the Committee and what they can contribute;
3. Provide 2-3 references that may be contacts about the nominee's application;
4. Provide a resume showing their past experience in working successfully as part of a coordinating group; and
5. Complete Form AD-755, Advisory Committee or Research and Promotion Background Information. Form AD-755 may be obtained from the listed Forest Service contact persons or from the following website:

<https://www.usda.gov/sites/default/files/documents/ad-755.pdf>.

Letters of recommendation are welcome. All nominations will be vetted by the Agency.

Equal opportunity practices, in line with USDA policies, will be followed in all membership appointments to the RAC. To help ensure that recommendations of the RAC have taken into account the needs of the diverse groups served by the Department, membership shall

include, to the extent practicable, individuals with demonstrated ability to represent minorities, women, and persons with disabilities.

The USDA prohibits discrimination in all of its programs and activities on the basis of race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, political beliefs, income derived from a public assistance program, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA (not all bases apply to all programs).

Dated: January 28, 2022.

Cikena Reid,

USDA Committee Management Officer.
